SUPPLEMENTARY INFORMATION: This notice informs the public that HUD is seeking approval from OMB for the information collection described in Section A.

The **Federal Register** notice that solicited public comment on the information collection for a period of 60 days was published on October 17, 2018 at 83 FR 52503.

A. Overview of Information Collection

Title of Information Collection: Report of Additional Classification and Rate.

OMB Approval Number: 2501-0011.

Type of Request: Reinstatement without change of a previously approved collection.

Form Number: HUD Form 4750, HUD Form 4751, HUD Form 4752.

Description of the need for the information and proposed use: The information is used by HUD and agencies administering HUD programs to collect information from laborers and mechanics employed on projects subjected to the Federal Labor Standards provisions. The information collected is compared to information submitted by the respective employer on certified payroll reports. The comparison tests the accuracy of the employer's payroll data and may disclose violations. Generally, these activities are geared to the respondent's benefit that is to determine whether the respondent was underpaid and to ensure the payment of wage restitution to the respondent.

Information Collection	Number of Respondents	Frequency of Response	Responses per Bi-Annum	Total Burden Hours per Response	Bi-Annual Burden Hours	Hourly Cost Per Response	Total Cost

Note: HUD now requires this information every 2 years and the table reflects this change.

B. Solicitation of Public Comment

This notice is soliciting comments from members of the public and affected parties concerning the collection of information described in Section A on the following:

- (1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- (2) The accuracy of the agency's estimate of the burden of the proposed collection of information;
- (3) Ways to enhance the quality, utility, and clarity of the information to be collected; and
- (4) Ways to minimize the burden of the collection of information on those who are to respond; including through the use of appropriate automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

HUD encourages interested parties to submit comment in response to these questions.
